

Ms. Manasi Parab of VATSALYA TRUST MUMBAI,

Manasi Parab-- Kanjurmarg Center

Success Story August 2018

Students Project Connect: Manasi is enrolled in Klic English course at our computer Centre after she completed his B.com exam. Her aim was to grab a good office opportunity. Her parents are from underprivileged background, her family includes mother, father with elder sister, Manasi is staying at Kanjurmarg

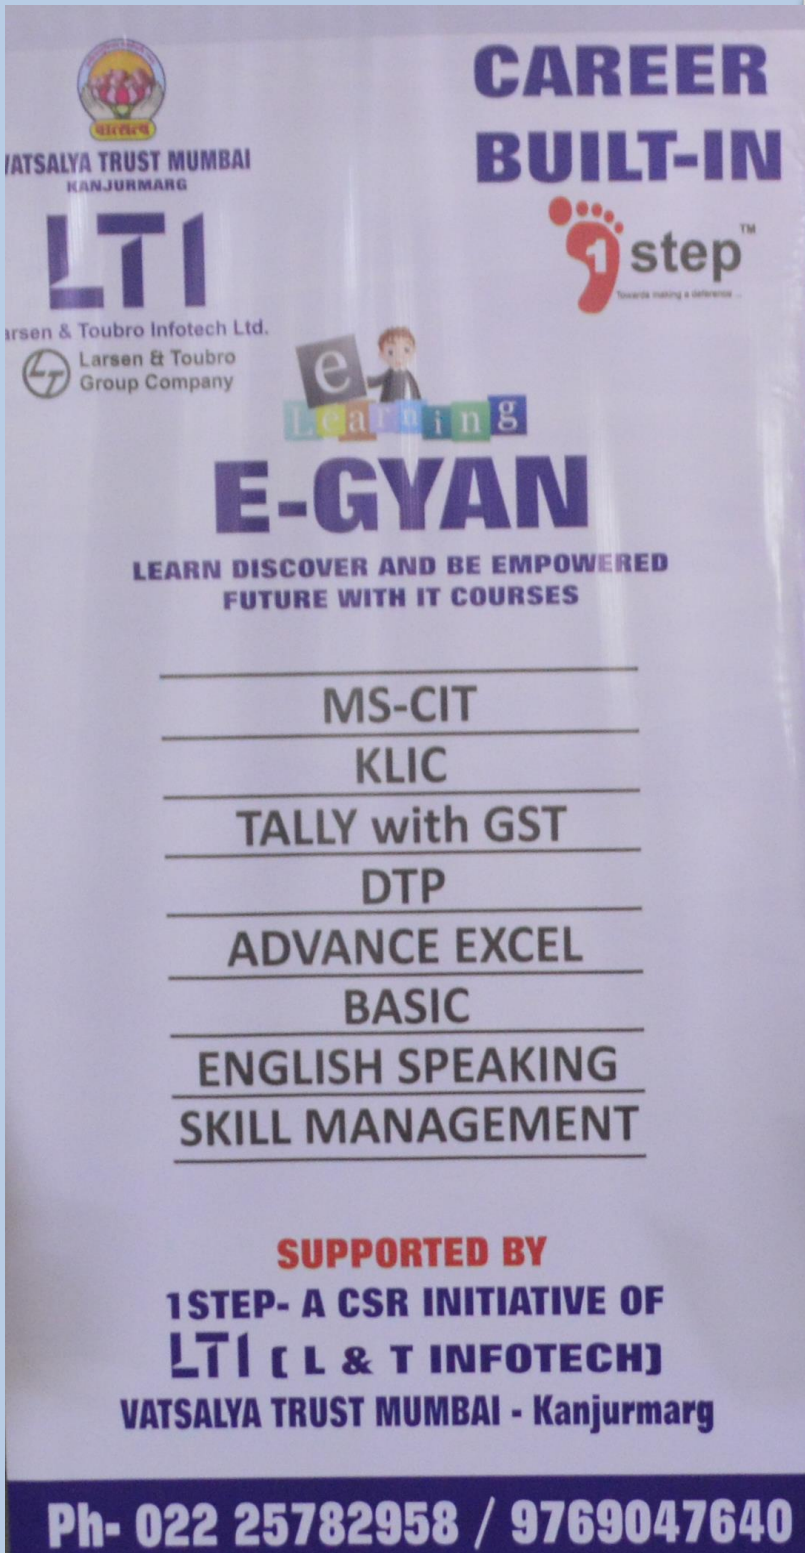

Her father is working in a Pvt. company. Her father being the only earning member of the family .Manasi wants to work either part / full time on Computer based work as office Asst. she is very confident and always eager to learn new things. She wants to assist her family for that she joined course.

Her project journey- she completed Klic English course in September 2018. She also underwent soft skills trainings from trainers and LTI employee volunteers guide her in communication skills.

Outcome- Manasi is a Smart and confident girl. She got knowledge of computer and she had increased interest in computer. Now she has completed her higher Education and course too. She has struggled a lot to get secure job. Manasi is now working at one Private Company at Ghatkopar. Her earnings are approx. Rs. 12000/- p.m.

Testimonial- I am very confident, happy and satisfied about my course in digital literacy. I am thankful of LTI for the support. Because I got training in soft skills and LTI volunteers other skills.
