Due to sponsorship program of NIIT most of the students are given this training facility virtually free of costs. About 150 students were also given placement. Vatsalya has also conducted sessions to train the students to improve communication skills and to confidently face job interviews, which were immensely beneficial for them.

Vatsalya intends to spread E-Vidya Training Centers in collaboration with 50 institutions during the coming academic year so as to help children and youth from weaker section of the society and rural areas of Maharashtra, where spread of computer education is limited. In all more than 1100 students got benefit of the computer training across Maharashtra.

COMPUTER CENTRE

DRIVE WITH PRIDE :

During the year, 125 candidates were trained across Mumbai and rest of Maharashtra thereby acquiring driving skills through the said program. Vatsalya Trust has collaborated with grass-root level NGOs across Maharashtra which includes Shramik Manch Gramin Vikas Kendra, Beed – 35 candidates, Sarathi Youth Foundation, Solapur – 35 candidates, Annapurna Sevabhavi Sanstha, Karad – 15 Candidates, and Prerna Rural Development Foundation, Sangli – 15 candidates. In order to expand the scope of the work and considering increasing logistics requirements it was thought of starting training youth for heavy construction equipment. Five students were trained on JCB at Latur in collaboration with Sevalay NGO anticipating the need to train the manpower with the necessary skills in the construction sector which is in demand.

Further, Vatsalya is also in the process to collaborate with a private entity Gantavya, Pune wherein there would be women empowerment programs and the trained candidates would be connected with the e-commerce sector such as Amazon, Flipkart, etc. Additionally, Vatsalya is also in the process of starting 3-wheeler driving skill training to 150 women at Latur involved in waste management project with Jan Aadhar, Latur.

We are proud to achieve ISO 9001:2015 certification from TUV Austria for the Drive with Pride vertical. Since we are now expanding activity across many NGOs in Maharashtra, the certification will certainly help in bringing diligence in the processes with all.

It was good year where we could expand our activity to reach youth across Maharashtra and also started training in Heavy construction equipment.
