

E-vehicle Training of waste collectors at Janadhar, Latur

A batch of 30 women who are waste collectors in the city of Latur have been given a helping hand by Vatsalya Trust, Mumbai in collaboration with an NGO – Janadhar to get trained on E-Vehicles.

These E-Vehicles are a modified version of 3 wheelers and are undergoing training on it. After getting trained, these beneficiaries would be operating the garbage collecting vehicles on their own thus giving a steady rise in their daily income finally improving their quality of life.
