Drive With Pride.

Success Story – Impacting Lives Of Aspirant.

Mr .Pradip Shamrao Daingade .age -24 yers village - Kapil Tal-Karad Dist-Satara .Education 10 th .Pradip related from Farmer Family .Farming is a main occupation of his Family his parents ,grandparents alsoFarmer they have Sufficient Farm and they done Farm Activities as a Bussiness .many vegetables production and fruit production also got from Farm they sell their products in nearby markets .Karad is Taluka place and main Market .pradip Tranport this product by bike or auto on rent .he tired because of lot of expences on transport .one day he was in farm his friend told him on mobile about the training .first time he not believe on him but after some time he visited ngo Annapurna Sewabhavi Sanstha who is the local ngo Partner of Vatslya Trust Mubai and took the information about Drive to Pride Project and he took admission immediately .After complete some official formalities he started his training in metro Drivinig School karad .

He completed his training from 17th February 2022 to 16th March 2022. After training he become perfect Driver and he got license .now a days

he purchase his own vechile and he transport farm production to markets. He is very much happy because of this training this training is life changing for him .he always wants to increase his business now his dream comes true because of this training .his relative also asking him about this change and they also happy .pradip says vatslyas this project give me new attitude and he always thankful to all .he now feels stable and confident.

Drive With Pride is a program run by Vatsalys Trust that supports vulnerable youths, from disadvantaged families/communities to realize their dreams by equipping and acquiring employability skills with life skills, which helps them to access decent employment

When asked, pradip says, "Driving training provided by Vatsalya Trust has made my life financially stable and I can now help financially at home. I am thankful to Vatsalya Trust, thank you!"
